RADIO FIRST

Phone down where the work is

PHONE DOWN OUTSIDE

Cranes turning. Loads overhead. Machines moving. Eyes up.

SOMEONE MUST ACT NOW

Call them by name. You hear straight away that it landed.

RADIO

IT MUST BE FOUND LATER

A chat is gone tomorrow. The handover is not.

HANDOVER

EVERYONE MUST KNOW, NOW

A few a shift. That is what keeps the group worth reading.

GROUP

YOU CAN SEE THEM

Say it. Then put the decision on the handover.

TALK

A message to everybody is a message to nobody

The gang should not wait while a question looks for the right person to answer it.
